

# Trinidad & Tobago

@ Caribbean Nazarene College

7-15 March 2020

Join our **SERVE.** Team to TNT in the Spring.

We will be partnering with CNC to help with projects on their campus. Our main project will be to continue work on new building that is being constructed.

This one week trip will be to the community of Sam Boucaud not far from the capital city in the countryside of this beautiful Caribbean island. Housing and meals will be on campus at CNC.
