

**A WORD FROM TERRY & BECKY .....**

As Becky and I travel across the district, I often say, "The Local Church does not exist to promote the district, but the District exists to resource, encourage and support the local church. There are many activities that we put together that are purposeful in trying to help support each and every church. This summer there are three main activities that are planned to help make a difference in the local church. They are Youth camp, children's camp and District Conventions & Assembly. Be sure to check out information about each of these events and participate whenever you can. Your participation will not only help your local church but together we are better.
