DISCIPLED BY JESUS

PRESENTERS: Hal & Debbie Perkins

As disciples of Jesus, most Christians find it very intriguing, even hard to swallow, that Jesus intends to disciple His contemporary followers much like He did Peter, James, and John. Really? Can we see Jesus in the flesh like Peter did? Or hear His voice like James did? Or know Him like John did? Come to believe Him as Thomas did, or walk with Him and love Him and live for Him as these first century disciples did?

Hal and Debby Perkins believe being discipled by Jesus is not only possible, but essential. The aim of this Discipled by Jesus teaching and training is to equip participants with essential root skills in RELATING TO JESUS as His disciples experienced. The fruit? Increasingly being transformed into His very likeness. Hard to swallow? Come and see!
