

# Deputation giving options

Financially supporting our missionaries is important and there are multiple ways to accomplish it. The easiest ways are to give at a mission rally. Another is through your local church where the funds are sent to the Nazarene General Treasurer by check or online using 'Funding the Mission'. Note – *in FTM (funding The Mission), it's under Gifts – GTS Contribution – Fund – Missionary Deputation*. This way both the individual and local church receive credit for the donations.

Another convenient option is to give online using the missionary's profile page; **however**, this method does not currently identify the church of the donor. This means the church does not receive credit for the donation. This means there is no record of this donation in the church's records.

There is a solution to fix this. It requires the donor to take a one-time action. They can email Stewardship at [stewardship@nazarene.org](mailto:stewardship@nazarene.org), Donor Services at [donorservices@nazarene.org](mailto:donorservices@nazarene.org) or call Stewardship at 1-800-544-8413, or Donor Services at 1-866-624-3092. Either department can establish the relationship with the church and the individual donor.

We hope this helps enable your continuing support of our missionaries.
