

SPRING 2027 DEPUTATION TOUR:

March 3-17, 2027

ESTEBAN ALCANTARA

Esteban Alcantara and Sugey Salmeron serve as Missions Mobilization Coordinators for the Eurasia Region. Esteban is originally from the Dominican Republic, and Sugey is from Mexico. Together with their two-year-old son, Gael, they have been living in the United Kingdom since 2024, where they also serve in diaspora ministry.

They are passionate about missions, the role of the local church, and the development of new workers for the Kingdom of God. Through their ministry, they walk alongside people, helping them discern their calling and prepare to serve cross-culturally.

Eurasia is one of the most culturally and spiritually diverse regions in the world. In many places, the church is small, and access to the gospel remains limited. Convinced that God continues to call His people, Esteban and Sugey partner with churches and leaders to encourage obedience and active participation in His mission.

Please pray for them as they seek to discover, develop, and deploy new Nazarene workers to respond to the needs across the Eurasia Region. Their desire is to help others find their place in God's mission and take meaningful steps in response to His call.
